PLEASE BE ON TIME: Worship is an important part of our service as it prepares our hearts for the Word of God. Help us minimize distractions - please silence cellular phones and electronic devices before entering the Sanctuary *and by remaining in the rear of the Sanctuary if you must leave during the service.*

SANCTUARY SETTING: We place the highest priority on God's Word and are committed to providing an undistracted environment for teaching Scripture to both adults and children. Our Children's Church is designed so that children can learn at their own level of understanding, with age appropriate curriculum. Each teacher spends time in study and prayer before your child enters the classroom. The classes and activities reflect the love and care of the Lord. For parents that need to leave the main Sanctuary with their children due to fussiness or excessive noise we also have: A "Nursing Mothers" room, the main lobby and Conference room which all have monitors where the service is broadcast live.

AVALABLE AT THE INFO COUNTER: Ministry Applications, Prayer request cards, CD copies of messages (suggested donation $3), Sign-up sheets for current activities, Donation box and Tithe envelopes - If you tithe in cash, and desire a year-end statement of giving, please make use of the tithe envelopes.
